REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2008-2009 school year has been another phenomenal year here at Killian Elementary. We have implemented many new and innovative programs, expanded our numbers of students in our before- and after-school programs, and tremendously increased the number of students who qualify for our districts Gifted and Talented Program.

In addition, we sent record numbers of teachers to conferences and workshops and purchased numerous amounts of equipment to enhance teaching and learning; as a result, this year we received the prestigious Exemplary Writing Award from the State Department of Education

Consequently, our students have experienced much success as well. Killian students were featured in many publications and were highlighted in over thirty articles, editorials, and newscasts, which include The State Newspaper, The National Junior Beta Club Journal, and three of the four major local news channels.

Furthermore, we have had several students selected to the South Carolina Honors Choir, many students to place in the Lt. Governors Essay Contest, numerous students to win awards in the State Math Competition, and countless other local and state award winners.

Finally, I have really enjoyed the past few years as principal of Killian Elementary and it has been my pleasure to serve at such a great institution which has really grown tremendously in terms of fulfilling our mission of providing a quality education to all of our students who enter our school and that we will give them our very best everyday as we continue to build a legacy of excellence!
